## Risk Manager Information Security and Privacy

itrust consulting is a leading actor in information security in Luxembourg, specialized in providing security services like consultancy, technical and organizational audits, technical expertise, research and development and best practices-based security training in dedicated training centre.

### Context

itrust consulting has an opening for a motivated candidate, specialized in Risk Management, in direct customer contact (**onsite**), to strengthen our consulting team.

### Your role and tasks

- Performing Risk Assessments using market-standard methodologies for risks analysis;
- Using the tools TRICK Service form itrust consulting and MONARC;
- Ensuring Data Privacy Impact Assessments;
- Supporting the further development of TRICK Service, based on the market needs.

### Profile of the candidate

- MSc in a subject directly linked to the field of information security;
- Expert knowledge of ISO/IEC 27005, ISO 3100, 31010, and ISO/IEC 27001, 27002, 27701, 29134;
- Proven experience moderating risk assessment at customers;
- Experienced in applying market proven methods and tools for risk analysis;
- Capability to work independently and within teams;
- Fluent written and verbal communication skills in English and French (Luxembourgish and German would be an advantage);
- Analytical and synthesis skills for writing technically correct, convincing, and easy-to-understand reports;
- Excellent knowledge of Microsoft Office tools Word, Excel, PowerPoint.

### What we offer you at itrust consulting

- Competitive working conditions and stimulating learning environment;
- An international environment and the opportunity to collaborate with like-minded risk managers and security consultants;
- The right place in Luxembourg for impactful work in information security and increasing the security of our customers' ISMS;
- An IT environment convenient for teleworking;
- Training and on-the-job-learning opportunities in autonomous work for customers under the guidance of security experts of itrust consulting.

**To apply, please send (in PDF format) your most recently obtained diploma and ratings for the last two academic years, an updated CV and a letter of motivation to Marianne Guérin, [info@itrust.lu](mailto:info@itrust.lu).**
